6.1.40 Participated as a student in the Fourth Invasive Neuromodulation for Pain Course – International Neuromodulation Society, lasting 8 hours, held on 04/16/2020 and 04/23/2020, via the ZOOM platform.

6.1.41 Participated as a student in the Fourth Invasive Neuromodulation for Pain Course – International Neuromodulation Society, lasting 8 hours, held on 05/07/2020 and 05/14/2020, via the ZOOM platform.

6.1.42 Participated as a student in the Fourth Invasive Neuromodulation for Pain Course – International Neuromodulation Society, lasting 8 hours, held on 06/11/2020 and 06/18/2020, via the ZOOM platform.

6.1.43 Participated as a speaker at the III Espírito Santo Nursing Congress – "HEALTH PROMOTION & DISEASE PREVENTION: IDIOPATHIC SCOLIOSIS SCREENING IN ADOLESCENTS" – 04/07/2021

6.1.44 Participated as a speaker in the II Spine Day at Sírio Libanês Hospital – Minimally Invasive Spine Surgery, held on October 25th, 26th and 27th, 2021 – 100% online.

6.1.45 Participated as a speaker in the II Spine Day at Sírio Libanês Hospital – Minimally Invasive Spine Surgery, held on October 28th, 29th and 30th, 2021 – 100% online.

6.1.46 Participated as a preceptor in the II Cadaver Lab and Neurostimulation – Boston Scientifc, held on 05/29/2022 lasting 12 hours.

6.1.47 Participated as a listener of the ISO 14001 Course – Hcor Academy – 09/23/2022.

6.1.48 Participated as a preceptor in the III Cadaver Lab and Neurostimulation – Boston Scientifc, held on 09/30/2022 lasting 8 hours.

6.1.49 Participated as a preceptor in the I Latam Pain Road Show – Boston Scientifc, held on 10/04/2022 lasting 8 hours.

6.1.50 Participated as a coordinator and preceptor in the theoretical and practical Workshop on Neuromodulation for Orthopedists – Boston Scientific Medical - held on 05/18/2023 and 05/19/2023, in São Paulo, lasting 12 hours.

6.1.51 Participated as a listener at the XXVII Brazilian Congress on the History of Medicine and I International Symposium on the History of Medicine – on 11/24/2023 and 11/25/2023, in Vitória – ES.

6.1.52 Participated as a preceptor, speaker and professor of the laminectomy procedure at Cadaver Lab 2023 – Medullary Stimulation and Radiofrequency – Boston Scientific – on 12/8/2023 and 12/9/2023 in Belo Horizonte – MG.

6.1.53 Participated as a preceptor, of the EXPAND – Experience in Pain Neiromodulation – Boston Scientific – on 26/02/2026 and 28/02/2026 in São Paulo - SP.

6.1.54 On Behalf of the GSC Scientific Committee, we are pleased to confirm that the scientific contribution title: **Innovative Use Of An Anterior Transdical Screw in The Managementof Complex Axis Fracture: A Case Report,** was presente as Rapid fire presentation – Global Spine Congress – on 27 as 30/05/2026 in Istanbul.

6.1.55 On Behalf of the GSC Scientific Committee, we are pleased to confirm that the scientific contribution title: **Open Versus Minimally Invasive Surgical Techniques for the Treatment os Spondylodiscitis: A Systematic Review and Meta-Analysis,** was presente as Rapid fire presentation – Global Spine Congress – on 27 as 30/05/2026 in Istanbul.

6.2 – International Courses and Observation Ship Program

6.2.1 IX Hand's On of Endoscopic Spine Surgery, carried out on 07/2012, as a participant.

6.2.2 Cadaver Lab – Spine Endoscopy - Institute of Orthopedics and Traumatology of the Hospital das Clínicas of the College of Medicine of the University of São Paulo, carried out on March, 2015, as a participant.

6.2.3 Participated on 06/20/2016 and 06/21/2016, in Pennsylvania - USA, as a participant in the Advanced Course on Surgical Techniques in Spine Surgery – International Training on Cadavers.

6.2.4 Participated from 07/03/207 to 07/04/2017, in Tampa – USA, at the Spine Laser Center as a participant in the Observation Ship Course in Minimally Invasive Surgery and Endoscopy

6.2.5 Participated on 11/11/2017 in Atlanta, as a Congressman at the Spinal Elements Bioskills Workshop.

6.2.6 Participated in the Spine Laser Center Course as a participant in the Observation Ship Course in Minimally Invasive Surgery and Endoscopy from March 19 to 23, 2018, in Tampa – USA.

6.2.7 Anterior cervical endoscopy course, from 04/06/2018 to 04/08/2018 – in Florida – USA, as a congressman.

6.2.8 Participated in the Cervical Nucleoplasty Course via the anterior approach + cadaver lab. on 05/06/2018 to 05/08/2018, in Florida – USA.

6.2.9 Observation Student Program at the service of Dr. Eduardo Ibarra of Neuromodulation and Morphine/Blacofen Pump Implants, held in Puerto Rico from 08/21/2018 to 08/26/2018.

6.2.10 American Congress of Spine Surgery by the North American Spine Society held in Los Angeles – California from 09/26/2018 to 09/29/2018.

6.2.11 Participated in the theoretical and practical Stryker IVS cadaver laboratory for the treatment of vertebral compression fractures and anatomical restoration with Spine Jack held in Paris – France 11/08/2018 and 11/09/2018.

6.2.12 Surgery Observer Program between January 7th and January 25th, 2019 at Memorial Sloan Kettering Center, in New York, to improve surgical techniques for spinal tumors, under the supervision of Dr. Ilya Laufer, MD.

6.2.13 Workshop Implantation M6 lumbar and cervical endoprosthesis between 06/05/2019 06/06/2019 at Stenum Fachklinik For Orthopadie in Ganderkesee – Germany – Including 20 live surgical procedures.

6.2.14 Participated in the Postero Lateral Osteosynthesis System Advanced Training Course – Spineway Group held on 06/29/2022 – France.

6.2.15 Participated as a preceptor and Brazilian national reference for organization and continuing medical education programs in neuromodulation – Boston Scientific – 11/26/2023 and 11/27/2023 in Argentina.

6.2.16 Participated as a student in practical and theoretical training in the CAVUX technique for cervical and lumbar facet fixation – Providence Medical Technology - held on 05/08/2024 and 05/09/2024 lasting 16 hours in San Francisco – California.

6.2.17 Participated as a preceptor, representing the College of Medicine of ABC in the Interinstitutional Meeting on Spinal Surgery – Instituto DAC – held on 05/25/2024 lasting 10 hours.

6.3 – Other Courses

6.3.1 Hereby awards this certificate in for successful participation completion of Investment in International Assets, accomplished on 01/23/2020 and 01/24/2020, lasting 18 hours.

6.3.2 Course in Exotic Options and Robo PNT, promoted by Saúde + Ação, lasting 8 hours.

6.3.3 Advanced Course in Actions, promoted by Saúde + Ação, lasting 8 hours.

6.3.4 MBA in Eagles Pride Mentoring in Marketing, Management, Investment, International Law, promoted by Saúde + Ação, lasting 96 hours – in progress.

6.3.5 DOC options Course in Florida - USA, 02/20/2021, lasting 5 hours.

7. OTHER ACTIVITIES

7.1.1 Preceptor of the Spine Surgery Group at the College of Medicine of ABC, with scheduled surgical hours at the institution's reference hospital.

7.1.2 Presented Scientific Article at the XXXXI Brazilian Congress of Orthopedics and Traumatology: “Intra and Inter-Observers Reproducibility of the Pfirmann Classification for Disc Degeneration through Magnetic Resonance Imaging”.

7.1.3 Presented Scientific Article at the XXXXII Brazilian Congress of Orthopedics and Traumatology: “Intra and Inter-Observers Reproducibility of the Lumbar Facet Hypersignal Classification and correlation with disc degeneration for MRI”.

7.1.4 Published article “Interobserver reproducibility of the “Lumbar Facet Hypersignal” Classification and the Pfirmann Classification for disc degeneration, in addition to the correlation between lumbar facet arthrosis and disc degeneration”, Revista Coluna in publication.

7.1.5 Participated on 11/13/2015, as a Preceptor of the Practical and Theoretical Course in Spinal Surgery: Diagnoses and Treatments – Trauma and Degenerative Diseases.
